

# You and Me (Radio Edit)

## Uniting Nations

You and me...If i gave you my loving  
would you take it  
If i opened your heart  
would you turn the key  
'cause i knew from the start  
    baby we could make it  
    we could make it together  
you and meIf i gave you my loving  
    would you take it  
    If i opened your heart  
    would you turn the key  
    'cause i knew from the start  
    baby we could make it  
    we could make it together  
you and meYeah, you and me  
    you and me,  
you and me, yeah, If i gave you my loving,  
    If i gave you my loving, yeah, you and me,  
you and me, whoa-ohoa..If i gave you my loving  
    would you take it  
    If i opened your heart  
    would you turn the key  
    'cause i knew from the start  
    baby we could make it  
    we could make it together  
you and meIf i gave you my loving  
    would you take it  
    If i opened your heart  
    would you turn the key  
    'cause i knew from the start  
    baby we could make it  
    we could make it together  
    you and me whoa-ohoa..  
    whoa-ohoa..  
whoa-ohoa.....yeah, gave you, gave you, g....ave, If i gave you my loving  
    would you take it  
    If i opened your heart  
    would you turn the key  
    'cause i knew from the start

baby we could make it  
    we could make it together  
    you and meIf i gave you my loving  
        would you take it  
        If i opened your heart  
        would you turn the key  
        'cause i knew from the start  
        baby we could make it  
        we could make it together  
        you and me
