Promises, Promises

Naked Eyes

Never had a doubt in the beginning
Never a doubt
Trusted you true in the beginning
I loved you right throughOn and on we laughed like kids
At all the silly things we did
You made me promises, promises
Knowing I'd believe promises, promises
You knew you'd never keepSecond time around, I'm still believing
The words that you said
You said you'd always be hereAnd love forever still repeats in my head
You can't finish what you start
If this is love it breaks my heartYou made me promises, promises
You knew you'd never keep
Promises, promises
Why do I believe?On and on we laughed like kids
At all the silly things we did
But you can't finish what you start
If this is love it breaks my heartYou made me promises, promises
You knew you'd never keep
Promises, promises
Why do I believe?All of your promises
You knew you'd never keep
Promises, promises
Why do I believe?Promises
Promises
Promises
Promises
Promises
Promises
