Secret

Greeley Estates

For the first time I saw inside of you
And somewhere within you lies the whole truth
It's time to let go, to let goYour secret is safe with me
'Cause my lips are sealed
Far from the lies they talk to youFor all the times when you felt abandoned
I want you to know that you're not alone
And now this weight has been lifted from youYour secret is safe with me
'Cause my lips are sealed
Far from the lies they talk to youAnd now that you let me in
In on your secret
The sound of silence will soon fade away
You're not aloneI want to be the one that you can count on
And I want to be someone that you can trust
And I'll keep my word, I made a promise to you
For what it's worth, I've always stood by your sideYour secret is safe with me
'Cause my lips are sealed
Far from the lies they talk to youAnd now that you let me in
In on your secret
The sound of silence will soon fade away
You're not aloneFor the first time I saw inside you
