

# Fire of Universe

## Xandria

I clench my fists and break my chains  
Destroy the mirror of tears  
I force the night to smash you down  
And lose my innocence (I'm)Blinded by the fire of universe  
I'm falling down, no reverseI Can't rewind my life to then  
When I was dreaming of warmth  
You took away the child I've been  
And left me frozen (and)Blinded by the fire of universe  
I'm falling down, no reverseRewind rewind to thenI'm an angel  
Born form the breath of life  
An Icarus  
Burning an falling downBlinded by the fire of universe  
I'm falling down, no reverseBlinded by the fire of universe  
I'm falling down, no reverseRewind, rewind there's no rewind
