

# Blind Eye

## Small Town Heroes

Our summers, together  
I thought would last forever  
But you left, in winter  
Suddenly the sun got brighter now You see me, on TV  
Just living the life I should be  
Does it bother you when you see me smile  
You won't be seeing me for a while Wanted you to myself  
What was I thinking? I'll stay out tonight, having a good time  
forgetting 'bout you and I, It's time to say goodbye  
Our love was so unintentional  
Your style is so unoriginal  
I'll stay out tonight  
because i'm turning a blind eye Dont mistake this new face  
for a sense of guilt or heart ache  
It's no lie, cannot deny  
I'm just here for the wifi Wanted you to myself  
What was I thinking? I'll stay out tonight, having a good time  
forgetting 'bout you and I, It's time to say goodbye  
Our love was so unintentional  
Your style is so unoriginal  
I'll stay out tonight  
because i'm turning a blind eye! Wanted you to myself  
What was I thinking? I'll stay out tonight, having a good time  
forgetting 'bout you and I, It's time to say goodbye  
Our love was so unintentional  
Your style is so unoriginal  
I'll stay out tonight  
because i'm turning a blind eye
