

# Sticky Hulks

## Thee Oh Sees

Astral seasons drift on by  
In wavering delight  
and stretching on through timeAs a soul should surely be  
for all eternity  
and present in a sighAt a pace so patiently  
dally there for you and me  
placid all the whileAh the ticking of the clock  
and the ringing of the stocks  
are relics of our lives  
Our love flows on endlessly  
our love is pure and free  
a vast and depthless sea
