

The Only One

Evanescence

You know you're not the only one When they all come crashing down, mid-flight
You know you're not the only one
When they're so alone they find a back door out of life
You know you're not the only one We're all grieving
Lost and bleeding All our lives, we've been waiting
For someone to come and lead us
All your lies, I'm not believing
Heaven shine a light down on me So afraid to open your eyes, hypnotized
You know you're not the only one
Never understood this life and you're right, I don't deserve
But you know I'm not the only one We're all grieving
Lost and bleeding All our lives, we've been waiting
For someone to come and lead us
All your lies, I'm not believing
Heaven shine a light down on me Don't look down, don't look into the eyes
Of the world beneath you
Don't look down, you'll fall down
You'll become their sacrifice Right or wrong, can't hold on
To the fear that I'm lost without you
If I can't feel, I'm not mine
I'm not real All our lives, we've been waiting
For someone to come and lead us
All your lies, I'm not believing
Heaven shine a light down on me
