Dag Nasty

(Sound For Sound)sfs

it's only a song

took five minutes and it's not that long
and it means more to us than it will to them
just another stupid fast song again

sfs - sound for sound

sfs

it's more than a song

it's a sound that's inside us for so long
and it means more to me than it will to you
it's inside of me can't turn it off , no matter what I do

sfs - sound for sound

sound for sound

and it's a sound for our sakes

they may not like it

but it's the sound we make

sfs - sound for sound
