Leisure

PHOX

All this leisure
Got me tired
Got me tired
I could come and meet ya
But I might wander(?)
And you would wonderHold your tongue
We're having all the fun
Nowhere to run
So we just stay in bedAll this good lovin'
Got me tired
Got us tired
I could come and meet ya
But you were a bother(?)
So just don't botherHold your tongue
We're having all the fun
Nowhere to run
So we can stay in bed
OhhAll this leisure
Got me
tired
All this (this)All this leisure
Got me tired
Mmm
