

I'm The Toughest

Bunny Wailer

Anything you can do
I can do it better
I'm the toughest, I'm the toughest,
And I can do what you can't do,
for you'll never try to do what I do
I'm the toughest, I'm the toughest, And any dub that you can make
I can make it better
I'm the dub master, I'm the dub master,
And I can play any dub you play
But you can never play the dub that I play
I'm the dub master, I'm the dub master,
Said I'm rough, I'm tough, I'm rough, I'm tough
Sayin' you're graced, but I'm bad
Said I'm rough, I'm tough, I'm rough, I'm tough And any dance that you can cork (?)
I can cork it tighter
I'm the toughest, I'm the toughest,
I can draw better crowd than you
And you can never draw the crowd that I do
I'm the dub master, I'm the dub master,
Anything you can do
I can do it better
I'm the toughest, I'm the toughest,
And I can do what you can't do,
for you'll never try to do what I do
I'm the toughest, I'm the toughest, Said I'm rough, I'm tough, I'm rough, I'm tough
I'm the toughest, I'm the roughest...
