Lullaby

Lit

Hello there, how was your day? Sorry that I was away
Hello there, how is the weather? Sorry I'm not there to play
I'm trying just to make it better for you
I know it's hard to understand(La, la, la, la, la)
I'm always gonna love you, I promise you, I promise you
(La, la, la, la, la)
Always thinkin' of you, I promise you, I promise youHello there, why are you crying? I know you're trying your best
To be good, now for your mother
Hold her and tell her we're gonna be okay
I never meant to make you feel so bad, hope some day you'll understand(La, la, la, la, la)
I'm always gonna love you, I promise you, I promise you
(La, la, la, la, la)
Always thinkin' of you, I promise you, I promise youI swear I'm gonna make it up to you now
I know someday you'll understand(La, la, la, la, la)
I'm always gonna love you, I promise you, I promise you
(La, la, la, la, la)
Always thinkin' of you, I promise you, I promise you(La, la, la, la, la)
I'm always gonna love you, I promise you, I promise you
(La, la, la, la, la)
Always thinkin' of you, I promise you, I promise you(La, la, la, la, la)
(Do, do, do, do, do, do)
I promise you, I promise you
(La, la, la, la)
(Do, do, do, do, do)Bah bah black sheep have you any wool?
Yes sir, yes sir, three bags full
Goodnight
