

Into the Blue (Uplifting 4 Beat mix)

Moby

All alone, I open my eyes Wild ride

Hold your fire

I'm not about to die

Keep back

Let in some air I dare lie down

To stare at the sky

I am wide open

Reaching forever

I fly into the blue

I am wide open

Reaching forever

I fly into the blue

Flat mark

High tide

Frantic to stay afloat

Stay calm

Let in some air I dare lie down

To stare at the sky

I am wide open

Reaching forever

I fly into the blue

I am wide open

Reaching forever

I fly into the blue

>From above

I am so small

So fast

I move I move

The light the light

Here comes the tide

I am wide open

Reaching forever

I fly into the blue

I am wide open

Reaching forever

I fly into the blue

With water surrounding me

I am wide open

Reaching forever

And I fly into the blue

Into the blue

I am wide open

I am wide open

Reaching forever

Reaching forever

I fly

I fly into the blue

I am wide open

I am wide open

Reaching forever

Reaching forever

I fly into the blue

Into the blue

I am wide open

I am wide open

Reaching foreve
