## Gravediggaz

Let's get it on ock, and watch the spot get blown  
I be the sick lunatic with the devilish poem  
From the mists of the darkness I come with this  
Hittin straight, to the chest, like a Primatene mist  
Ryzarector, YAH, the fanatical type  
I'm like a bat, in the night, when it's time to take flight  
Here I am, in the flesh, and yes I love sess  
I'm obsessed, by the sounds, the track posess  
Intellectual, killer, special majestic  
Ropin up the devils have em hangin from my testicles
