## Primus

A B C D E F G H I gotta' gal wears her toenails long.  
Drives a red Barracuda, singin' meat packer songs  
And she ain't from Kalamazoo. A B C D E F G H I gotta' friend lived in a Mercedes-Benz.  
Then a 55 Chrysler where the trunk never ends/  
And the plates say Kalamazoo. He had a steady job and watched what he spent.  
He'd say I don't believe in payin' no goddamn rent.  
I'll squirrel away every goddamn cent  
and buy my own damn house in Kalamazoo. I knew a guy that mangled his hand,  
and he went from pipe fittin' to a hot dog stand.  
They say last year he cleared fifty grand  
selling dogs round Kalamazoo.
