

Disappointed (2010 Remaster)

Morrissey

Our unsleepable friend
Gets the message on an ill wind
"All your friends and your foes
Would rather die than have to touch you"
To say the least: I'm truly disappointed Truly, truly, truly, oh...
Drank too much
And I said too much
And there's nowhere to go - but down Young boy - I want to help you
See these lines? : truly disappointed Truly, truly, truly, oh...
Don't talk to me, no
About people who are "nice"
'Cause I have spent my whole life
In ruins
Because of people who are "nice"
Oh, this world may lack style, I know
Each bud must blossom and grow, oh... Young girl, one day you will be old
But the thing is, I love you now
Mmm... This is the last song I will ever sing (yeah!)
No: I've changed my mind again (aaw...) Goodnight And thank you
