

# I Wanna Destroy You (The Soft Boys Cover)

## Circle Jerks

I wanna destroy you  
I wanna destroy you  
I feel it coming on again  
Just like it did before  
It'll feed your pride with boredom I feel it coming on again, just like it did before  
They feed your pride with boredom, and they lead you off to war  
The way you treat each other, makes me feel ill  
And if you want to fight them, then you're dying to get killed I wanna destroy you  
I wanna destroy you A pox upon the media and everything you read  
They'll tell you your opinions and they're very good indeed I wanna destroy you  
I wanna destroy you And when I have destroyed you, I'll come picking at your bones  
You won't have a single atom left to call your own I wanna destroy you  
I wanna destroy you  
I wanna destroy you  
I wanna destroy you  
Destroy you  
Destroy you  
Destroy you  
Destroy you
