

Unnatural Selection

Muse

They'll laugh as they watch us fall
The lucky don't care at all
No chance for fate, it's unnatural selection
I want the truth
I'm hungry for some unrest
I want to push this beyond a peaceful protest
I wanna speak in a language that they'll understand
Dedication to a new age
Is this the end of destruction and rampage?
Another chance to erase then repeat it again
Counter balance this commotion
We're not droplets in the ocean, ocean
They'll laugh as they watch us fall
The lucky don't care at all
No chance for fate, it's unnatural selection
I want the truth
No religion or mind virus
Is there a hope that the facts will ever find us?
Just make sure that your are looking out for number one
I'm hungry for an unrest
Let's push this beyond a peaceful protest
I wanna speak in a language that you will understand

Counter balance this commotion
We're not droplets in the ocean, ocean
They'll laugh as they watch us crawl
The lucky don't share at all
No hope for fate, it's a random chance selection
I want the truth
Try to ride out the storm
Whilst they'll make you believe
That they are the special ones
We have not been chosen
Injustice is the norm
You won't be the first
And you know you won't be the last
Counter balance this commotion
We're not droplets in the ocean, ocean
Ocean, ocean

They'll laugh as they watch us fall
And the lucky, they don't care at all
No chance for fate, it's unnatural selection
I want the truth, I want the truth
I want the truth, I want the truth
