

# Sunrise (Pillows) [feat. Emmavie]

## Alfa Mist

Too many things tried  
(They tried to) Hold on to your mind  
When, when you need somebody  
Baby that's me  
I can't say that I've got a room for all of those days  
But I will never let you fall down  
I'll tear out the city  
You know now

Don't forget me when you need me  
Been through everything, I'm in deep  
So when you need me  
Those hearts feel like pillows  
Soft and ???  
Those hearts feel like pillows  
Soft and ???

So, I'm anything try  
(They showed you) Hold on to my hand  
When I really thought that you needed somebody  
And even after all that  
You know that you got me, and I will never let you fall down  
I'll tear out the city  
You know now

Don't forget me when you need me  
Been through everything, I'm in deep  
So when you need me  
(Don't stay in need, yeah)  
Those hearts feel like pillows  
Soft and ???  
Those hearts feel like pillows  
Soft and ???

I'll always be here for you  
Never too late  
I'll always be here for you»¿
