

# Rookie Of The Year

## Funeral for a Friend

The promise that he made  
Left broken on the floor  
The bruise left round your heart  
Left you beggin' for more  
The promise that he made  
Left broken on the floor  
The bruise left round your heart  
Left you beggin' for more  
Will let you beggin' for more  
Thank you for making me  
Worthless in your eyes  
In hope and desperation  
I'll find my only light  
In your white wedding dress  
In your white wedding dress  
Thank you for making this  
The best day, of my life  
In hope and desperation  
I'll find my only light  
In your white wedding dress  
In your white wedding dress  
When in a [incomprehensible] we've seen  
Oh I am open to everything  
Hope and desperation my only life  
And time will, take us all  
And drown us in it's wake  
And clearly, I will stand  
And wipe the blood from your  
White wedding dress  
And wipe the blood from your  
White wedding dress  
And wipe the blood from your
