

Cheez [7" Version]

Less Than Jake

Don't call me rich, don't call me George
Just call me cheez that's who I am
Don't call me rich, don't call me George
Just call me cheez that's who I am
Don't call me rich, don't call me George
Just call me cheez that's who I am
And not rich, not George just CheezCivilized until the keg runs dry and we strive
To drink from nine to five and then from five to nineAlways drunk and going crazy, always drunk, going crazy
You better believe itDon't call me rich, don't call me George
Just call me cheez that's who I am
Don't call me rich, don't call me George
Just call me cheez that's who I am
Don't call me rich, don't call me George
Just call me cheez that's who I am
And not rich, not George just cheezChesterfield, where the kegs never dry, it's always filled
Have another beer or two, have another beer or two
And he'll show you his cheesed tattoo
Always drink, going crazy, you better believe itDon't call me rich, don't call me George
Just call me cheez that's who I am
Don't call me rich, don't call me George
Just call me cheez that's who I am
Not rich, not George just cheez
