

Angels

Morandi

people stop fighting,angels are crying
we can be better
love is the answer
search inside are there anymore tears to cry?
dont you wonder why?
why you feel so alone against the world?
search back time when you used to sing along
to the music of your soul
song of faith , you can change it is not too late
people stop fighting , angels are crying
we can be better love is the answer
Search inside are there anymore tears to cry
dont you wonder why
why you feel so alone all against the world
Search back time, when you used to sing along
To the music of your soul
Song of faith you can change, it's not too late
People..stop fighting, angels are crying
We can be better, love is the answer
Love is the answer..
