

Spellbound

Paula Abdul

Why does it hurt so
I'm wrapped in your love and I don't wanna be undone
Why does love hurt so? How do you just know?
How to get to me baby? Words aren't only words
When from you they're heard
When you say, you really love me
Maybe it's a trick, something doesn't click
Maybe it's a spell, that you've got me under
Somethings going down, turn my world around
I woke up and I found, I was spellbound
So wicked
And your prison
Feels good so
Your kisses
Against my wishes
I wouldn't help it if I could
Metaphysical more than visual
You touch the heart of me
Night turns in to day, shadows fade away
When you say you, really love me
Maybe it's a trick, something doesn't click
Maybe it's a spell, that you've got me under
Somethings going down, turn my world around
I woke up and I found, I was spellbound
So wicked
And your prison
Feels good so
Your kisses
Against my wishes
I wouldn't help it if I could
So
So wicked
And your prison
Feels good so
Your kisses
Against my wishes
I wouldn't help it if I could
I hope I hope it's not a scheme, why you?
How do I know it's not just a game?
You are such a player, but you know
How to get direct to my heart
Do I have to put you in?
Maybe it's a trick, something doesn't click
Maybe it's a spell, that you've got me under
Somethings going down, turn my world around
I woke up and I found, I was spellbound
So

So wicked
And your prison
Feels good so
Your kisses
Against my wishes
I wouldn't help it if I couldSo wicked
So wicked
So wickedSo
So wicked
And your prison
Feels good so
Your kisses
Against my wishes
I wouldn't help it if I couldSo
So wicked
And your prison
Feels good so
Your kisses
Against my wishes
I wouldn't help it if I could
