

Only Love Is Left Alive (feat. Christine McVie)

Walter Egan

by Walter Egan
Don't tread on me,
My heart's not stone,
You'll never take my dreams away.
So sure so wild I was,
'So what' you say,
What good are wasted tears today. You can dream a thousand dreams,
In between a thousand lies,
When it cuts until it bleeds,
Only Love is Left Alive
Don't tread on me,
Be on your way,
What good is wasted time today.
