

# Meteorite

## Dungeon Elite

Gotta get her  
Did you know the world is waiting  
Can you keep up  
Everyone you see is racing  
And you  
You know what you are  
It's true  
You will go find 'Cause you got the night  
To light up the sky  
Meteorite in front of every eye  
A shooting star  
Your fame is a flame  
As they watch you burn up  
Turn up, turned up all the way Meteorite  
Meteorite  
Meteorite  
Meteorite  
Meteorite  
Meteorite  
Meteorite  
Meteorite So here we go  
Wasn't it what all you saying  
Put on your show  
Oh try to make it entertaining  
And you  
Know what you are  
It's true  
You will go find 'Cause you got the night  
To light up the sky  
Meteorite in front of every eye  
A shooting star  
Your fame is a flame  
As they watch you burn up  
Turn up, turned up all the way Meteorite  
Meteorite  
Meteorite  
Meteorite  
Meteorite  
Meteorite

Meteorite  
MeteoriteMeteorite  
Meteorite  
Meteorite  
Meteorite  
Meteorite  
Meteorite  
Meteorite

Meteorite'Cause you got the night

To light up the sky

A meteorite in front of every eye

A shooting star

Your fame is a flame

As they watch you burn up

Turn up, turned up all the way Yeah you have to turn up all the way

Yeah you have to turn up all the way

Yeah you have to turn up all the way

Yeah you have to turn up all the way

Yeah you have to turn up all the way
