Blue Eyed Baby

Leona Naess

Now that it's over
Now that it's gone
Now that I'm sober
With every love songHere in my sleep, I hear you in my wake
The phones ringing, someone's singing
I'm being self-deceiving, hold me, mould me
Whatever, know meBlue eyed baby, say you will be
Waiting for me at the end of the dayNow that there's nothing
Nothing left for me to hold
I knew you better than anyone
Even when you were coldHere in my sleep, I hear you in my wake
The phones ringing, someone's saying
I'm being self-deceiving, hold me, mould me
Whatever know meBlue eyed baby, say you will be
Waiting for me at the end of my day
Blue eyed baby, you said you would be
Slap down right in the middle of the show
You walked out to goI don't even like love anymore
It's the only thing that keeps my weight
To the floor and I pray and I pray
That you leave me be, so shine down, shine down on meBlue eyed baby, say you will be
Waiting for me at the end of my day
Blue eyed baby, you said you would be
Slap down right in the middle of the show
You walked out to goIn my head in the middle of the night
In my heart in the middle of the night
In my head in the middle of the night
In my heart in the middle of the nightIn my head in the middle of the night
In my heart in the middle of the night
In my head in the middle of the night
In my heart in the middle of the night
