

# White Rhythm and Blues

J.D. Souther

I don't want you to hold me tight  
Till you're mine to hold  
And I don't even want you to stay all night  
Just until the moon turns cold  
All I need is black roses  
White rhythm and blues  
And somebody who cares when you lose  
Black roses, white rhythm and blues  
You say that somebody really loves you  
You'd find her if you just knew how  
But honey, everyone in the whole wide world  
Is probably asleep by now  
And they're dreaming of  
Black roses, white rhythm and blues  
And somebody who cares when you lose  
Black roses, white rhythm and blues  
Close your eyes  
Sleep away all your blues  
I've done everything but lie  
Now I don't know what else I can do  
Ah, the night time sighs and I hear myself  
But the words just stick in my throat  
Would you think that somebody like me  
Might hurt much more than it shows  
Just send me black roses  
White rhythm and blues  
And somebody who cares when you lose  
Black roses, white rhythm and blues  
Black roses, white rhythm and blues
