

Be Still (Extended)

Kaskade

It's nice when the heart
The heart is beating faster
Feeling alive when there is wanting
Always the same
I jump too quickly
Be still my soul[Chorus]
It's love so serious
The more we think
The less we know
It's love mysterious
Holding tight
When we should let go Now that this love
Has overcome me
Now that this fire
Is burning bright
All of these words
Seem just beyond my reasoning Be still my soul[Chorus] Be still my soul
Just let it go
