

Whisper (Album)

Ernie Halter

How do I ask her to come back to me
After I told her goodbye
How do I love her so desperately
And for so long I pushed her for side
How do I walk back into her life
Now don't wanna walk away
How do I ask her, to see me again
I told her I wasn't sure, we can be friends
God can you whisper, in her ear
Anywhere on the wait to her call
Before the wind blows her too far
Away from my heart
Can you whisper in her ear
Anytime what she slide on her bed
Can you tell her everything that I said
Everything that I said
Oh oo hmm
How do I try explain everything
Nothing I said seems to (fade/fake)
Oh no
How do I get her to pick up the phone
Behind we ever get like this
Tell me what kind of man, lets love slips away
And leave such a good thing behind
Hold in my hand (lalala)
Praying to find, a way to fill in this hole
I have inside
God can you whisper, in her ear
Anywhere on the wait to her call
Before the wind blows her too far
Away from my heart
Can you whisper in her ear
Anytime what she slide on her bed
Can you tell her everything that I said
Everything that I said
Yeah
