One Wish

Tion Phipps

Damn baby
Just don't understand where we went wrong
I gave you my heart
I gave you my soul
I gave you...As a matter of fact I was the one who said I love you first
It was about eight years ago, don't act like you don't know
We were sittin' at home in your mama's livin' room
Cause, we couldn't be alone
See your mama knew I was something else, she knew how I felt
Back then we were in school; and that's your favourite excuse
Growin' up I was a fool; and I can't lie I'm missing you
Listen and don't trip
I think I need a bottle with a genie in it
Here's my wish list
First one, I would create a heart changing love
Second one, I'll take yours and fill it all up
Third one, but I don't need a lot of wishes cause I'll be okay if I get oneIf I had one wish, we would be best friends
Love would never end, it would just begin
If I had one wish, you would be my boo
Promise to love you, trust me I'll trust you
If I had one wish, we would run away
Making love all day, have us a baby
If I had one wish, I'd make you my whole life
And you'd be my wife, make it right this timeIf I had one wish
One wish, one wish, one wish
One wish, one wish, one wish
One wish, one wish, one wish
One wish, one wish, one wish
Now tell me is this the only way I can get you right back in
If so then searchin' I'll go, then I can have you for sho
Then you'll be loving me, holding me, kissing me
So girl don't tell me what I'm feeling is make believe
I swear if I lose a second chance with you
I wouldn't know what to do
I'd probably check myself into some kind of clinic
I couldn't be alone because without you I'm sick
Here's my wish listFirst one, I would create a heart changing love
Second one, I'll take yours and fill it all up

Third one, but I don't need a lot of wishes cause I'll be okay if I get oneIf I had one wish, we would be best friends
Love would never end, it would just begin
If I had one wish, you would be my boo
Promise to love you, trust me I'll trust you
If I had one wish, we would run away
Making love all day, have us a baby
If I had one wish, I'd make you my whole life
And you'd be my wife, make it right this time
If I had one wishI don't even know how we ended upon this road
And, even though we are grown, Girl I just want you to knowIf I had one wish, we would be best friends
Love would never end, it would just begin
If I had one wish, you would be my boo
Promise to love you, trust me I'll trust you
If I had one wish, we would run away
Making love all day, have us a baby
If I had one wish, I'd make you my whole life
And you'd be my wife, make it right this time
