

# The Champion

## Ry Legit

Gaze upon the stake, flames will soon start to embrace  
Condemned, auto da fe, she's about to fall from grace  
In the land of the rising sun, shadows are falling again  
The die is cast, the future and past coming to her at lastOh, oh, oh

    All she needed was a champion  
        Oh, oh, oh

Crying for a savior to fight for her lifeBehold, the freedom cries by the dying of the light  
    Too late to justify for vindication upon this night  
        In the land of the rising sun, shadows are falling again

From out of nowhere a rider declared to answer her final prayerOh, oh, oh  
    He stood up to be the champion  
        Oh, oh, oh

He became the savior that fought for her lifeFace to face, eye to eye  
    The savior fought to save her pride  
        Far beyond the starlit skies

The encounter went onGaze upon the stake as the flames start to embrace  
    A life, an act of faith, long-lost gone without a trace  
        In the land of the rising sun, shadows are falling again

The die is cast, for the future and past came for her at lastOh, oh, oh  
    All she needed was a champion  
        Oh, oh, oh

Crying for a savior to fight for herOh, oh, oh  
    He stood up to be the champion  
        Oh, oh, oh

He became the savior that fought for her lifeFor her life, she may need a champion  
    For her life
