Lucifer in Starlight

Powerwolf

In the metal of fight
When we always stand together
In the metal of fight
And the victory is nearIn the metal of fight
When we always come together
In the metal of fight
And were always were you fallLucifer
Lucifer in starlight
In the metal of fight
When I see there's no tomorrow
In the metal of fight
When my heart is open wideIn the metal of fight
In the victory tomorrow
In the metal of fight
When I see this hungry wereLucifer
Lucifer in starlight
Lucifer
Lucifer in starlightLucifer
Lucifer in starlight
