The Shortest Ending

Nonpoint

Nonpoint - The Shortest EndingWhen will the pages stop turning
How could there possible be this many
My fingers are burning from turning
What feels like a million pages for me no
Makes no difference to me
I'm up to me knees with miles to go
no way to really know
What's left to find about the future
.....life to the shortest endingpre-chorus:
Is this the end will the story finally turn read
Is this the end will the story finallyChorus:
It's the longest way to the shortest ending
It's the longest way to the shortest endingAgruments,happiness... with a smile popularity, contests, and miracle miles of traveling wonderful days
.....one thousand degrees even under the shade
trying everything just to finish this
insaking everything to keep from giving this
all enough for a chance to see the begining and shortest endingprechorus
chorusNo matter how hard I try to deny
You deny what you....
.....
.....
Well I'm starting the story again are you standing in the way this won't end
there'd still be an end ..... we will win we know that we won't saying you do
when you know that you don'tprechorus
