Jungle Fever

Ida Corr

Uuuuuh uuuuhWatch me as I run run
Chase me down for fun fun
You don't need a gun gun
To make sure I'm done done
I'll move a little slow slow
So you just gotta go go
Go with the flow flow
Forcing me to show showSo you can come and get now
Take me down to the ground
Hold me tight and roll around
Eh eh eh eh-ehUuuuuh uuuuh
Jungle fever
Uuuuuh uuuuh
Jungle feverCatch me if you can can
Show me you're the man man
Fireworks bam bam
Gotta take me down slam slam
I can be tame tame
Tame as a flame flame
Sometimes I'm game game
But sometimes I'm pain painSo you can come and get now
Take me down to the ground
Hold me tight and roll around
Eh eh eh eh-ehUuuuuh uuuuh
Jungle fever
Uuuuuh uuuuh
Jungle feverHold me down tight tight
I won't put a fight fight
I know you'll do me right right
This is our night night
Hot as fire fire
Sweet desire-sire
Take me up higher higher
I'm yours sire sireSo you can come and get now
Take me down to the ground
Hold me tight and roll around
Eh eh eh eh-ehUuuuuh uuuuh
Jungle fever
Uuuuuh uuuuh

Jungle fever
Uuuuuh uuuuh
Jungle fever
Uuuuuh uuuuh
Jungle fever
