

If

R5

Oh oh oh oh oh oh oh oh oh oh
All my days run together like whiskey and coke
Mmmmh
Hope my nights last forever like The Rolling Stones
Mmmmh
All up in your timeline double tapping I like, like, hoping that you don't mind, mind, that it was four weeks old
Mmmh
Caught up in your eyes, eyes, we've been talking online, line, I won't judge you no lies, lies, that your
purposeful
Mmmmh
Tell me if you could love me, make me somebody, If you could love me do
Can you take all my feelings, angels and demons, If you could love me do
I could be with you
Oh oh oh oh oh oh oh oh oh oh
Catch a flight down to Rio, roll up on a beach
Mmmmh
Vaca paid, no dinero, the perks of the beach
Mmmmh
All up in your vibes, vibes, you've got something I like, like, sweet like sugar and spice, spice, cool like icicle
Mmmmh
Or Baby let's get hectic, throwing all of your lettuce, spend it on your dressing, freaking wonderful
Mmmmh
Tell me if you could love me, make me somebody, If you could love me do, can you take all my feelings, angels
and demons, If you could love me do, I could be with you
If I could, then I would, if I could be with you, I could be with you, If I could, then I would, I could be with you,
If I could be with you
Oh oh oh oh oh oh Yeah oh oh oh oh
Now I know what you like, like, like, damn we got a good life, life
Mmmmh
If You Could Love
Tell me If you could love me, make me somebody, If you could love me do, If you could Love, can you take all
my feelings, angels and demons, Love me Do, if you could love me do, I could be with you
If I could baby, then I would, I want you know, If I could be with you, I could be with you, If I could, then I
would, If I could be with you
