

Vito's Ordination Song

[Sufjan Stevens](#)

I always knew you
In your mothers arms
I have called your name
I have an ideaPlaced in your mind
To be a better man
I've made a crown for you
Put it in your roomAnd when the bride groom comes
There will be noise
There will be glad
And a perfect bedAnd when you write a poem
I know the words
I know the sounds
Before you write it downOnly wear your clothes
I wear them too
I wear your shoes
And your jacket tooI always knew you
In your mothers arms
I have called you son
I've made amendsBetween father and son
Or if you haven't one
Rest in my arms
Sleep in my bedThere is a design
To what I did and said
