

# Someone Like You

## Inspirations

Though black your heart with sin, though you are dead within  
Seems all hope is lost, no light in view.  
No matter what youâ€™ve done, God sent His only son  
To reach way down & save someone like you.

He said, â€œBehold, I stand at the door & knock.  
I will come in if you will ask me to.â€•  
& even now, Heâ€™s waiting with open arms  
Oh, let the Savior save someone like you.

You say youâ€™ve done so wrong; youâ€™ve been in sin too long.  
The Lord would never save someone like you.  
Thatâ€™s where youâ€™re wrong my friend.  
God specializes in saving souls from sin,  
Someone like you.

He said, â€œBehold, I stand at the door & knock.  
I will come in if you will ask me to.â€•  
& even now, Heâ€™s waiting with open arms  
Oh, let the Savior save someone like you.
