

My Life

The Walls Group

I don't wanna be that lad to make you second guess who I'm representing
And no I'm not perfect, no I'm not ashamed to confess
I just wanted you to see that I'm trying and no it's not a game
Ain't gon' lose no sleep over what people say Just let me live my life, ah
You ain't give me my life, nah
You can't tell me what's right, ah
You ain't lay down (You ain't lay down)
You ain't lay down (You ain't lay down)
You ain't lay...
He made me great so let me be great
He made me great so let me be great
He made me great so let me be great
He made me great so let me be great
Please don't take offense but I just think it needs to be said
Y'all don't really get the picture
Focus your attention on what really matters instead, cause living in [?] with you
Don't get too caught up in what you see on the Gram
I will stay hype for Him cuz that's just who I am Just let me live my life, ah
You ain't give me my life, nah
You can't tell me what's right, ah
You ain't lay down (You ain't lay down)
You ain't lay down (You ain't lay down)
You ain't lay...
He made me great so let me be great
He made me great so let me be great We move differently but we're working toward the same goals
Some move fast, some move slow
But we're all on the same road
I'm only doing what God told me to do
So it's more about Him than it's about you
Just let me live my life, ah
You ain't give me my life, nah
You can't tell me what's right, ah
You ain't lay down (You ain't lay down)
You ain't lay down (You ain't lay down)
Just let me live my life, ah
You ain't give me my life, nah
You can't tell me what's right, ah
You ain't lay down (You ain't lay down)
You ain't lay down (You ain't lay down)

You ain't lay...

He made me great so let me be great

He made me great so let me be great

He made me great so let me be great

He made me great so let me be great
