Somewhere

The Prisoners

Somewhere the air is cleaner
Somewhere the grass is greener
I'll take my girl and we'll fly away to taste the clean sky
And all the children will say hey
All the children will say hey, yeah-eh

Somewhere I walk the safe streets
They put the people on me
I'll take my girl and we'll fly away and we'll be left alone
And all the children will say hey, yeah-eh
All the children will say hey

I wanna be free with you
I wanna say goodbye to the world
I wanna be free with you now, yeah-eh-eh
I wanna be free with you
I wanna say goodbye to the world
I wanna be free with you now, yeah-eh-eh
Alright

Somewhere the air is cleaner (cleaner)
Somewhere the grass is greener
I'll take my girl and we'll fly away to taste the clean sky
And all the children will say hey, yeah-eh
All the children will say hey

I wanna be free with you
I wanna say goodbye to the world
I wanna be free with you now, yeah-eh-eh
I wanna be free with you
I wanna say goodbye to the world
I wanna be free with you now, yeah-eh-eh

Ow
I wanna be free with you
I wanna say goodbye to the world
I wanna be free with you now, yeah-eh-eh
I wanna be free with you, yeah
I wanna say goodbye to the world

I wanna be free with you now, yeah-eh-eh

I wanna be free with you, yeah
I wanna say goodbye to the world
I wanna be free with you now, yeah-eh-eh
I wanna be free with you, yeah
I wanna say goodbye to the world
I wanna be free with you now, yeah-eh-eh
