

# Millenium

## Gasellit

Me and everything around me, is unstable like Chernobyl  
Ready to go at any moment, jumpin' like a pogo stick  
Life never lived up to my expectations, so why expect the patience?  
Expect the worse but now I'm pacin' back and forth  
Inside, I'm melting like water on wicked bitches  
A monster truck done came and ran over my picket fences  
I had the best of life in my clinches  
But monkey wrenches was thrown like chairs kings sit on  
My prayers seem to long I fall asleep before the endin'  
Don't even get to say "Amen"  
I hope he understand I be on bended knees  
At times, I think I'm crazy, then I say forget it  
Or maybe it's the Devil infiltrating and like Riddick bow  
I've been fighting this since them fetus days  
I count from one to twenty, when I'm through, repeat the phrase  
It's just a phase, it's gon' all pass, but that gets old too  
I'm weakening like a deacon doin' dirt  
What am I supposed to do?  
Uh, uh, uh, uh, uh, uh, uh uh uh uh uh  
(Planets and stars)  
Uh uh uh uh uh, uh uh uh uh uh uh  
(Earth, Jupiter, Mars)  
Uh, uh, uh, uh, uh, uh, uh uh uh uh uh  
(Hoes, clothes, cars)  
Uh uh uh uh uh, uh uh uh uh uh uh  
(It's who you are)  
See, from bedknobs to broomsticks, we lookin' to start some new shit  
I'm writin' this rhyme in faith, so when you hear it, hope you true it  
My nigga, you do it like swooshes, the lyrical cleanse and new zits  
Wipin' away your germs up under your cranium with juices  
See mo goes on, my slick flow flows on  
Straight from West Savannah, Georgia, but the SWATS is my home  
Never go wrong 'cuz the click is tighter than gnat ass and that bad  
Mosquito, now we goes, I'm proud of you people's  
For sellin' your cracker sacks, I'm glad I'm white not black  
  
Shit, on the real, that's how them mighteys really act  
When your back was turned, them slackers learned  
And now we fallin' apart

You lookin' me in my eye, but you ain't feelin' me in your heart  
Yes, yes Lord, give me the power within the final hour  
These niggaz, they leavin' me stranded like Rapunzel in the tower  
Now or never, let's stick together and overcome  
But they don't feel like marchin', 'cuz they shoes is overrun  
Ain't that a bitch?

Uh, uh, uh, uh, uh, uh, uh, uh, uh, uh  
(Planets and stars)

Uh uh uh uh uh, uh uh uh uh uh uh  
(Earth, Jupiter, Mars)

Uh, uh, uh, uh, uh, uh, uh, uh, uh, uh  
(Hoes, clothes, cars)

Uh uh uh uh uh, uh uh uh uh uh uh  
(It's who you are)

Planets and stars

Earth, Jupiter, Mars

Hoes, clothes, cars

It's who you are

Uh, uh, uh, uh, uh, uh, uh, uh, uh, uh  
(Planets and stars)

Uh uh uh uh uh, uh uh uh uh uh uh  
(Earth, Jupiter, Mars)

Uh, uh, uh, uh, uh, uh, uh, uh, uh, uh  
(Hoes, clothes, cars)

Uh uh uh uh uh, uh uh uh uh uh uh  
(It's who you are)

Planets and stars

Earth, Jupiter, Mars

Hoes, clothes, cars

It's who you are
