Come Back to Me

Vanessa Hudgens

Y'all need to get ready to hear The unbelievable, indescribable

Vanessa Hudgens

Baby VEveryday I try to play another game

But my heart can't take it

I try to find another boy

But all the while I can't face itWhy do I miss you so much?

I wanna stop to turn inside

Oh baby please

Give us one more tryI see you out with all your friends

Laughing it up as you pretend

To have a good time

I know 'cause I'm living the same lifeSo I'm about to got to say

We can't keep living this same way

So I'll be the one

Yeah I'll say it, I'll say it, I'll say it againBaby come back to me

In my heart I still believe

We were meant to be

Together so whatever it takesBaby come back to me

I should've never set you free

Love baby

Come backI wanna call, but then I stall

'Cause after all, I just couldn't take it

'Cause if your play was to push me away

You know that day, my heart you'd break itI know we made a mistake

Can't you stop your foolish pride

And come back to me?

Let's try, let's try, let's try it againBaby come back to me

In my heart I still believe

We were meant to be

Together so whatever it takesBaby come back to me

I should've never set you free

Love baby

Come backYou know you miss your Baby V

And I can see that you think about me

So why do you act like you don't care

Like all this love between us isn't thereI know that you're upset

I know I did you wrong

I know that you want me to pay for all the pain I've caused

But in the end it all comes down to just one thing
It's you and me
So I singBaby come back to me
In my heart I still believe
We were meant to be
Together so whatever it takesBaby come back to me
I should've never set you free
Love baby
Come back
