Rough Justice

The Rolling Stones

The young don't grow up well not in this life
Big mouths and money win every time
Boy beats girl while the sneaky and snide
Take all your money and take your pride
Innocent people walking by
No time to smile before they die
Don't call that justice!
Children are starving on the street
Another one disappearing every week
Don't call that justice!
King for a day
But their kingdom grows cold
They'll never grow up
But they're bound to grow old
I remember the pain and humiliation
And I'll show them rough justice
The way that they did
Innocent people walking by
No time to smile before they die
Don't call that justice!
Children are starving on the street
Another one disappearing every week
Don't call that justice!

Innocent people walking by
No time to smile before they die
Don't call that justice!
Children are starving on the street
Another one disappearing every week
Don't call that justice!
Boy beats girl while the sneaky and snide
Take all your money take all your pride.
Innocent people walking by
No time to smile before they die
Don't call that justice!
Children are starving on the street
Another one disappearing every week
Don't call that justice!
Innocent people walking by

No time to smile before they die
Don't call that justice!
Children are starving on the street
Another one disappearing every week
Don't call that justice!
Don't call that justice!
