

# Tongue Tied

[Eric Fontana](#)

When my eyes aren't open wide  
When it's hard to make the time  
When words are so uptight  
Thoughts collide  
If answers are unsure  
I've been through this before  
And an ocean fills my mind  
I'm so tired  
You can make a face at me  
But it's more than I can hide  
You can place it all on me  
And even though I try  
I am speaking slowly  
But inside I am only wanting you  
To hear me  
Too late to make a sound  
And I can't drown it out  
Too much to say aloud

I'm tongue-tied  
Too many strangers in the crowd  
Only your face I have found  
But with all the lines I try  
I never find  
You can make a face at me  
But it's more than I can hide  
You can place it all on me  
And even though I try  
I am speaking slowly  
But inside I am only wanting you  
To hear me  
Too late to make a sound  
And I can't drown it out  
Too much to say aloud  
I'm tongue-tied
