

# No Air

## Red Fang

We share this shimmering black pain  
Our pride and joy in suffering  
HÃ¼Ä¼n, hÃ¼Ä¼n I call your name  
I know you know we are the sameHe wants it all  
She wants it all  
They want it all  
But there's a wallHe wants it all  
She wants it all  
They want it all  
But they will falterWe swim the sea of suffering  
Bathed in the joy of our black pain  
HÃ¼Ä¼n, hÃ¼Ä¼n I call your name  
I know you know we are the sameHe wants it all  
She wants it all  
They want it all  
But there's a wallHe wants it all  
She wants it all  
They want it all  
But they will falterHe needs her closer  
(Like anybody else)  
And she's longing, too  
(Like anybody else)  
But she's made her mind up  
(Like anybody else) and it's  
Not for youYou gotta find your way out  
This ain't working out  
You gotta find your way out  
It's not workingYou gotta find your way out  
This ain't working out  
You gotta find your way out  
It's not workingIt's not working  
It's not working  
OutHe wants it all  
She wants it all  
They want it all  
But there's a wallHe wants it all  
She wants it all  
They want it all  
But they will falterHe needs her closer

(Like anybody else)  
And she's longing, too  
(Like anybody else)  
But she's made her mind up  
(Like anybody else) and it's Not for you
