

We Don't Die

Reactive Black

Can't you see I'm falling down,
Can't you see I'm down

The light of day still falls on me,
It's like deepest sleepless nights

Memories of a thousand dreams
Still cursing in my head

Memories of a thousand years
Just flowing in one second

Can't you see, can't you see,
We won't die
Can't you feel, oh, can't you feel,
We won't die

Can't you see, can't you see
We... die

Right now I'm in darkness
Maybe someone's heaven
Or hell

Everyday's a new beginning,
darkness, my only passion

DIE!

Passion

Don't you cry
We don't die

We don't die!
