

Overtime

Gyptian

Ya, oh oh oh
Ey no no no, oh woah Say she waan the work
Say she waan the work
'Cause she tired of the 9 to 5
So mi chip in the over drive
And mi give her the overtime
My love keep her alive
About me she a fantasize
Cause she love mi style and she love of my smile
Treat her so nice Girl let me see your application
Make me employ you
You know you fit the position
From the first time I saw you
Let me see your application
Let me employ you
You know you fit the position
From the first time I saw you She wan become by my side
But she tell me she don't have no shovel
But that could a cause a little trouble
Because my shovel, you have to pay a double
Say she can mix concrete,
So she want me be show her how fi do it,
So mi tell her fi bend her back, girl, hold the shovel like that (Yeah) Girl let me see your application
Make me employ you
You know you fit the position
From the first time I saw you
Let me see your application
Let me employ you
You know you fit the position
From the first time I saw you "Baby mi ah rock you,
Like a thumbtack baby mi attack ya,
Like a country man gyal mi ah go chop you,
Like a ball or football mi ah go score yuh,
Mi have the ting, ah make you wine
And the ting should make talk and chat seh,
Mek yuh say "uno, dos, tros ocho, cinco"
Squint your eyes, look round and round and watch me, I like it baby,
The you wining on me girl I like it yeah,
The way that you wine on me I like it, oh

Oh oh, oh oh ohAh di first time she ever get it like that,
When mi start it, first time she never want it not to stop,
Do it from the front, I will catch it from the back,
She go run, with her friend she ah chat,
She say, "play, play with me baby."
And mi say, "wine for me my lady"
I love it when you do it like that,
Mm, mi never never want you fi stopOh girl, I like it that way,
And mi never never want you fi stop,
I like it that way baby,
Mi right here when you come back,
I like it that way
And when you talk the sweet tings dem to me,
And you say nobody can do it like meBubble for me like never before, before.
