Contact

Leonard Nimoy

Once, we had contact;
Reception was clear.Preparing to lock into orbit.Polarization ... a magnetic storm.
Out systems couldn't absorb it.Take a step closer.
A light year has passed.All instrumentation reads:
"GO"
Visual contact firmly established.
Strength of the signal will grow...Make one more effort,
Channels are open.
The past is a thing of the past.Communicate now.Before the collision,
Make a decision...
Seperation is closing fast...
Closing fast...
Closing fast...
Closing fast...!Request permission...
...to LAND...
