Crystal Cage

Merchandise

Everyone want's what they don't got
I only want what's mine
But I was caught up
In my head
I had to run and hide
Said I was caught
In the world's biggest lieThere was so many warnings
But I was chasing easy times
Still they were no good
Just another fraud
Under the moonlightLife in a crystal cage
Sweet thing to fool your sight
Life in a crystal cage
All whitewashed and terrified
Life in a crystal cage
Shake the bars kill the night
