

# How Long Will It Take

## The Tractors

How long will it take till you're mine

I got my heart set on you baby  
Why do you make me stand in line  
The way you tease me makes me crazy  
How long will it take till you're mine

I quit my running round I left all that behind  
Now how long will it take till you're mine  
A purely mournful situation  
The way you treat me so unkind  
Heavy breathing heart palpitations  
How long will it take till you're mine

I quit my running round...  
I quit my running round...  
Yeah I quit my running round...  
Now how long will it take till you're mine  
Now how long will it take till you're mine
