

I Got You Babe (feat. Chrissie Hynde)

UB40

They say we're young and we don't know
Won't find out till we grow
Well I don't know why that's true
'Cause you got me baby, I got youBabe, I got you babe, I got you, babe.They say our love won't pay the rent
Before it's earn'd our money's always spent
I guess that's so, we don't have a lot
But at least I'm sure of all the things we gotBabe, I got you babe, I got you, babe.I got flowers in the spring
I got you, to wear my ring
And when I'm sad, you're a clown
And if I get scared you're always around
So let them say your hair's too long
I don't care, with you I can't go wrong
Then put your warm little hand in mine
There ain't no hill or mountain we can't climbBabe, I got you babe, I got you babe,I got you babeI got you to
hold my hand
I got you to understand
I got you to walk with me
I got you to talk with
I got you to kiss goodnight
I got you to hold me tight
I got you I won't let go
I got you to love me so
I got you, babe
