

# All At Once

## Whitney Houston

All at once  
I finally took a moment and I'm realizing that  
You're not coming back  
And it finally hit me, all at onceAll at once  
I started counting teardrops and at least a million fell  
My eyes began to swell  
And all my dreams were shattered, all at onceEver since I met you  
You're the only love I've known  
And I can't forget you  
Though I must face it all aloneAll at once, I'm drifting on a lonely sea  
Wishing you'd come back to me  
And that's all that matters nowAll at once, I'm drifting on a lonely sea  
Holding on to memories  
And it hurts me more than you know  
So much more than it shows  
All at onceAll at once  
I looked around and found that you were with another love  
In someone else's arms  
And all my dreams were shattered, all at onceAll at once  
The smile that used to greet me brightened someone else's day  
She took your smile away  
And left me with just memories, all at onceEver since I met you  
You're the only love I've known  
And I can't forget you  
Though I must face it all aloneAll at once, I'm drifting on a lonely sea  
Wishing you'd come back to me  
And that's all that matters nowAll at once, I'm drifting on a lonely sea  
Holding on to memories  
And it hurts me more than you know  
So much more than it shows  
All at onceAll at once, I'm drifting on a lonely sea  
Holding on to memories  
And it hurts me more than you know  
So much more than it shows  
All at onceAnd that's all that matters now  
All at once, I'm drifting on a lonely sea  
Wishing you'd come back to me  
And it hurts me more than you know  
All at once
